In this purpose is discussed real meaning of the word 'devānāmpriya' by using grammar theory. Bharat Dharmashoka emperor and king Tissa to the island culture as opposed to the use of alias 'devānāmpriya' it Pali 'devānāmpriya' believed the inscriptions 'devanapiya' it, Sinhala literature and history "devanapā" it has engaged. "Devānāmpriya" the word is created from 'ALUK' combination in Sanskrit grammar. The old Sanskrit grammar teacher called Panini alug Contextual command came in Possesive case "shashthya ākrośe" the formula has been composed, it has to be stated elsewhere narrative provides (vṛttikārayō) in place where feel blame is Aluk to the possessive case. Kātyāyanayan by promoting the same report confirmed the separate five examples, its third "devānāmpriyah iti ca" is also to be an example. Pātañjalī also approve it. Jayādityayō shows that not nipped versatile alternative interpretation to the possessive case. In Pali grammar book which Moggallana there is a rule that "ekatthatāyari" and when it has one meaning the case nipped even in that opportunity is choiced unchopped combination due to abounding authority? Later 'SIDDHANTHAKARAKA' scholar "devānāmpriya iti ca mūrkhē" said the rhetoric fool of changing the formula the report "devānāmpriya" that specifies that the Semester going gray. Hēmacandrayō endorsing the same "devānāmpriya" go "jālma" he has defined. Ignorance is its meaning. Ṣaḍbhāṣācandrikā such books are also shown in this sense. "Trikāṇḍaśeṣayehi" has had different meaning. It 'chāga' means. It is the meaning of the goat. According to the above grammatical singular "devānāmpriya" is engaged in genital DEFINITIONS hypens and text, idiot, stupid, goat meaning of what happened. Of course, this can be a nerve by Brahmans hard attack to Buddhist king by using grammar.
